## Building Bridges II

### Empowering Parents Institute

- September 26, 2009
- 8:00am—4:00pm
- Kernodle  
Middle School

Our Keynote Speaker will be LeDerick Horne. He discovered his gift for poetry while attending college in central New Jersey. Early on in his career as a poet,

LeDerick helped organize several open-mics in central Jersey and performed at many venues throughout the Tri-State area. In the late 90's LeDerick and two other New Jersey writers formed a group called *The Trinity Poets*.

The group was initially very successful, but after several years of performing together, members of *The Trinity Poets* separated to pursue independent interests.

Over the past few years LeDerick has become a nationally recognized motivational speaker and advocate for people with disabilities. He now uses his poetic talent to help empower and educate people who attend his presentations.

The focus of Building Bridges II is on empowering parents of at risk and special needs students. Please join us in learning about exciting initiatives and community resources that are available.

***Lunch will be provided!***
